

Autumn/Winter 2018-2019 | Poetic Depth

Fall and winter slow us down to a place where we can indulge in our favorite luxurious escapes. You have been longing to read your favorite classic novel. Perhaps a spontaneous gathering of friends inspires you to recreate an old family recipe. Planning a stroll through your favorite museum allows you to soak in the palettes of your favorite artist. In this cool color palette, you will be inspired to seek out quiet moments that belong only to you and the transitions of the seasons.

POETIC DEPTH | FW 18-19

We seek luxury and escape in literature, poetry, & the depth we find in art; Classic & contemporary.

"Normality is a paved road:
It's comfortable to walk,
But no flowers grow"
Vincent van Gogh

A

palette rich in reds and deep wine harkens back to the joyful traditions we yearn for. Emerald greens offer the promise of health and peace. These colors influence the F/W 18-19 *Color Analysis*. CSI's new and innovative Relative Color Popularity offers data to validate this palette.

POETIC DEPTH | FW 18-19

Winter has a classic glamour rich in reds & deep wine, yet with tradition, we remain mindful and present. At times contemplative.
