

Autumn/Winter 2015-2016 | Temptations

At dusk the silhouettes are softened and deepened into the sun's declining light. The shadows grow immensely purple, composing a dreamy, relaxing atmosphere with a subtle hint of melancholic vibe. The quietude of night, conceives a perfect equilibrium, conveying beautiful temptations. The colors are changing their appearance, becoming more silky and exquisite. Everything is arranged with elegant simplicity, designed with pure delight and silent passion.

"Temptations" Color Combinations

Rhapsody of smoky purples transmit a sense of cool sophistication. The neutrals in this palette are soft and delicate, with a drop of warm pink. Classic navy and deep maroon red are added

to achieve contrast and contemporary effect.
